

# Accessibility Statement

Francisco D'La Fuente is committed to providing a website experience that is accessible, respectful, and usable for as many people as possible, including individuals with disabilities.

## Our Commitment

We aim to design and maintain our digital experience in a way that supports accessibility best practices and widely recognized standards, including the Web Content Accessibility Guidelines (WCAG), where feasible.

## What We're Doing

We work to improve accessibility across our site by focusing on:

- Clear, readable typography and thoughtful layout
- Meaningful headings and consistent navigation
- Alternative text for key images where appropriate
- Keyboard-friendly interactions where possible
- Ongoing review and updates as the site evolves

## Need Help or Want to Report an Issue?

If you experience difficulty using our website or would like to request an accommodation, we want to hear from you. Please contact us and include:

- The page URL (if available)
- A brief description of the issue
- The device/browser you're using

We will do our best to respond promptly and to provide an accessible alternative when possible.

## Continuous Improvement

Accessibility is an ongoing effort. As we grow, we will continue refining our website experience to better serve all visitors.
